 - What is your gender preference for a puppy? (i.e. only Female, only Male, open to either): _____
 - Color preference: _____
-

Please list any questions you have for us below! We are so grateful that you've chosen to reach out to us about a puppy and are happy to answer any questions you might have about us as a breeder, our breeding pairs, or the puppies we've produced!

Information on purchasing a puppy from us:

Included with each puppy: Vet records with age-appropriate vaccinations and deworming, AKC paperwork, Microchip & puppy pack. This pack will include items such as a small bag of the food your puppy is currently being fed (we feed Orijen Large Breed Puppy), a Wubba Kong, Bully stick, leash and a small blanket with littermates/mothers scent.

Our puppies are sold with limited AKC registration, meaning that your puppy will be registered/registerable through the AKC, but we do not offer breeding rights at this time.

We offer a \$100 training incentive refund to buyers who choose to enroll their puppy in a beginner obedience/training class, 6 weeks in duration and beginning between 16-18 weeks of age after your puppy has received all vaccination boosters. We believe this is such an important period for your puppies social & mental development and we are happy to invest in the training and socialization of the puppies we have produced! We highly recommend training and socialization be continued after these initial classes. We will issue a refund in the amount of \$100 with proof of training course completion. If you choose to do this through the AKC by finding a local AKC Club, you can then choose to work toward titles in specific areas of training. We will additionally provide a \$50 refund for your puppy/dogs first title received! We would love to reward you and your dogs hard work toward proving their trainability & workability!
